APPENDIX D.2: Potential executory contracts being rejected by the Debtor:

As discussed in Section V of the Disclosure Statement, Debtor engaged Goldman to advise Debtor in connection with the potential restructuring of Debtors obligations (“Goldman Contract”). Debtor asserts that such engagement has concluded and the Goldman Contract terminated. However, Goldman’s engagement gave certain rights to Goldman that, under certain conditions, could be exercised at Goldman’s option in the future. Debtor is listing the Goldman engagement as an executory contract which is being specifically rejected under the Plan to eliminate the possibility of any assertion by Goldman of subsequent claims thereunder.
